THE GOSPEL OF MARK

Mark 6

Living in Dependence on the Sufficiency of Christ

The messages of the world tell us to follow the money, chase after financial gain and stability. Follow this leader or that leader, this political party, or that. Follow the Career. Follow Pleasure. Follow Comfort. Follow Retirement. Keep up with the Jones'.

This year we would like to really explore what it means to Follow Jesus. I mean, really Follow Him. And I think we are going to discover that to follow Jesus, means we learn to follow the Servant. Following Jesus is totally counter cultural to what we normally follow after and it is life changing!
